My heart is so heavy and my spirit so deeply saddened.....however, I know you're in a much better place and are reunited with those you loved and missed so dearly, so I can't help but feel joyful for you, as well. “*Ron, you were always one of my favorite co-workers. When I was young and inexperienced, you shared so much of your knowledge with me. You were a great teacher. You could bring calm in the midst of a crisis. You always had a smile on your face. RIH my friend. My condolences to your family.*

Ron and Dorothy from many years ago. So easy to lose touch, but  
many fond memories. “ God painted each flower a perfect hue - and  
every life with a beautiful purpose.”
