“ Rose, Many years ago we worked at Manufacturers Enameling in Toledo. You were a lot of fun and all of us shared many good times. We've missed you over the years after you left and was saddened to see you passed in December 2013. Your fellow MEC friends spoke of you over the years and we all wondered what you were doing. If you were well and having a good life. We hope you were and that you found in life what you were seeking. We'll remember your big smile and your laughter Big Rose, and how you spoke of going to Chicago. We truly hope you had a good life and was happy, for you deserved to dear friend. This message comes from us and everyone you worked with so many years ago. May you soar high in God's heaven and watch over your love one's on earth.
