“ *My Dear Mama, I miss you so much...words cannot begin to describe the emptiness I feel. I love you with all my heart. Everytime I think about you being gone, my heart breaks into a million pieces all over again, but I'm so thankful that you are no longer suffering or in any pain. Rest easy until we are reunited* 🥹🙏💔

“ *To Henry, John, and rest of family. We were so hurt to hear about the passing of Rosie. We all grew up and went to Picket Elementary School. Rosie and I were in the same classroom when we transferred to the school. Rosie some how persuaded me to be one of her school guards, and I excepted because she had a smile and personality you couldn't refuse. Rosie, along with Henry and John were all a family that would always try to help you. If I had followed in the shoes of those three, I truly believe I might have been an attorney or doctor, but hindsight is something else. Family rest assured Rosie is flying along side our Lord and I know she will be greeted with welcome arms. Rosie, my family and I will always remember your family, and that wonderful smile you always shared. God Bless! Jimmy & Patty Lloyd*
