“ Smile Because She Lived You can shed tears that she has gone Or you can smile because she has lived.You can close your eyes and pray that she'll come back Or you can open your eyes and see all she's left.Your heart can be empty because you can't see her Or you can be full of love you all shared.You can turn your back on tomorrow and live yesterday Or you can be happy for tomorrow because of yesterday, You can remember her and only that she has gone, Or you can cherish her memory and let it live on.You can cry and close your mind, be empty and turn your back or you can do what she'does want, smile open your eyes , love and go on.Your mom will always be with you all..Fromm Jill and Gayle Smith and Family.

“ On Sunday August 31, 2014, Divine will overruled human and said yes to the will of God. Sometimes the Lord walks through the garden of life and decides to pluck a flower. Because He alone is God, we cannot tell him where to pick, when to pick or how to pick.

The plucked flower came in the person of Ruby Worlds my dear Sister.

To the family, we would like for you to know that the Roby Family share with you in your loss. A human link in the Worlds family has been removed. We cannot explain the why of your loss; we can only help you to find comfort in the Scripture's. Deuteronomy 29:29 says that "the secret things belongeth unto the Lord".

Psalms 30:5 says "weeping endureth for a night, but joy cometh in the morning" We do not know how long your night will last but our prayers and support will be with you for as long as it takes. You might have to cry right now but one day soon God will wipe away your tears.

And if at any time, you should need a shoulder to lean on, here is ours. If it be that our shoulders are not broad enough, Jesus is all that you need.

God Bless you.

From the entire Roby Family
