

## Shaquena Watson

November 17, 1986 - December 1, 2020

Shaquena Watson was born November 17, 1985 in Harlem, New York. Her birth mother name was Claudette Simmons. Her adoptive parents are Doris & Robert Watson who proceeded to take care of her until they were deceased. Shaquena passed away December 1, 2020 and she leaves behind her children Randi Patterson (7yrs) and Jordan Patterson (4yrs).

Shaquena have a host of siblings who loves her dearly, Kyle Washington, Shasia Coleman, Miguel Rodriguez, Bobby Watson and Devona Townsend.

Shaquena Watson had a beautiful sweet spirit, often times her smile would brighten your day and her presence in a room was unmatched.

She was a very ambitious lady who blossomed from the concrete jungle of N.Y.C. to grace us with her heartfelt presence here in Toledo, Ohio. Although Shaquena was brought into this world with no headscarf and many disadvantages of life she still managed to get her G.E.D and at the time of her passing she was attending Owens Community College.

Although Shaquena was a foster child, our beloved sister was loved by many. She was known for having a huge heart and she has touched so many other hearts. If you knew her and she had love for you she was very protective. Always gave great advice and would be there for you in time of need.

May Shaquena soul FINALLY rest in peace and get the love and joy she deserves. We are very thankful. May GOD continue to bless us all.
