“ One day I help Shirley cut a few braids out of her hair, and she didn't know that I kept them, the next day I came to work and I taped the braids to my head and I came into the linen room and started dancing with the braids, and she just passed out laughing😂😂😂 we had so much fun that day, she said girl you show is crazy ,we laugh almost 3 days after that even the other people in the linen department they laugh so hard and she was just a funny person, sassy sometime but we wouldn't have it any other way, miss you my crazy and funny friend love you forever rest in peace
