“ *To the family of Shonda she was a beautiful soft spoken God fearing woman who maintained a spirit of gratitude even through her circumstances.*

*I worked with her years ago and she was our beautician. I was in touch via text off & on and the last text was about her moving into her own place! The street was "Independence" I told her the time had finally come to start her journey of being Independent. I am sad & upset with myself that I didn't get the chance to see her once she moved in, but I smile when I think about her final stop with Our Heavenly Father & know that she wont have to endure anymore pain. "To be absent from the body is to be present with the Lord". We will forever treasure the memories of your beloved Mommy sister niece & aunt*
