“ *I was shocked to hear of the passing of Sitta, We first met Sitta when she was doing home care she took care of our, and we all grew fond of her, she became a part of our family. after she graduated and became a nurse, we hadn't seen Sitta in a while , and ironically she was there working at the hospital on the day that my mother passed away she was a great comforter and a friend and we will never forget her. Condolences to her family, and all who knew and loved her..*
