“ Pops! Man what can I say...I'm torn, a piece of me has left with you! You've always been present in my life and never imagined it without you! To go from seeing and speaking to you everyday to nothing at all is extremely difficult for me! I love you forever and you'll never be forgotten! Love your only daughter...AKenya

“ I’m going 2 miss the “What up, DOE!” The monthly rides 2 Kroger’s & was always willing 2 wait 4 me! On one occasion, I wanted 2 walk home 2 excercise. He told me that it was cloudy & it was going 2 rain. I was adamant on walking & got 1/2 way home when it started pouring rain! Just when I thought he was home, he turned around 2 come back 2 get me! Believe me, I was so “GLAD” that he did, because I would have stood under that tree 4 @ least an hour! Rest in peace, Vince. Going 2 miss U, my “BUDDY!” DEBBIE

“ Vince will always be remembered as one of the best black men I will ever know. He is a true brother to me and my heart is broken 💔 we had plans to go fishing 🎣 and I wanted to make it very fun for him. Now my world 🌍 is turned upside down. 🥹🥹🥹🥹

*I'm going 2 missed the "What up, DOE?" & the drop off @ Kroger's! Was willing 2 wait 4 me, but I wanted 2 walk home 4 the excercise. One time, I got 1/2 way home in the pouring rain. Just when I thought he was almost home, he had turned the car around & there he was! He told me that he couldn't let me walk in the rain & believe me, I "WAS" really glad that he "DID" come back, because I would have been "STILL" under the tree 4 @ least an hour! May you rest in peace, Vince! You "WILL B TRULY MISSED, MY BUDDY!" DEBBIE*
