“ Hi Terri: are you from UT College of Engineering & Women's Center? I am Joyce Wilson who worked in the Eberly Ctr and had a daughter in Engineering. I would love to hear from you at my cell 419-340-8348, and on Facebook. I am very sorry about your mom. I have a good friend also in the Blade today Veneta Oberhaus, and her visiting hrs and funeral are virtually the same, so I hope we can get together for lunch soon and catch up! I am not sure if i am coming down with the pneumonia thats going around so may not make it to the other funeral either. I also have texting. Call me when things settle down with your family, Joyce Wilson.
