*I worked with Yvonne at Barnes and Noble. She was such a sweet person with a good heart. I loved working with Yvonne, she always made me laugh. I've thought about her often since she retired, she's one of those people that once you meet her a part of her stays with you. I sincerely hope her family can find peace and comfort during this difficult time of loss. She will never be forgotten. ♡*

“ *Yvonne was my first memory of Barnes & Noble, I was going in for an interview and she was at the counter. She was so funny. I ran into her a year ago or so shopping and we exchanged hugs. Seeing her that day made me feel good for the rest of the day. She was an amazing person and will be missed.*

“ Yvonne and I worked together for 12 years at Barnes & Noble. She was a wonderful person who made each day fun. Her laugh was infectious and could send you into fits just hearing it! All the Barnes & Noble gang could share a million wonderful Yvonne stories. She will be missed by all who knew and loved her. May your family find peace and comfort at this difficult time. I worked with Yvonne for 13 years and just loved her. She called Barb, Judy and the two of us "The Golden Oldies" and we shared many a laugh and a story together. She called me 3 months ago and I am now so happy to have had one last chat about our fun days at Barnes and Noble. I may be wrong but I think Barb hired her. so thanks Barb. She was a treasure and will never be forgotten.
